ABOUT RUB N DUB

*A Legacy of Automotive Excellence,
Reimagined for a Sustainable Future*

Rub n Dub is the eco-conscious car care initiative of Tripod Auto Spare Parts Trading LLC, a trusted name in the UAE automotive industry since 2015. Building on Tripod's commitment to quality, reliability, and customer satisfaction, Rub n Dub is revolutionizing car care with innovative, waterless cleaning solutions.

The average car wash uses 65-80 gallons of fresh water per car. Washing your car in the driveway uses between 40-100 gallons. Even taking a shower usually uses 20-30 gallons of water. Simply stated: The Rub N Dub Car Wash is the most environmentally friendly way to clean your car!

Mission

We are dedicated to revolutionizing the car wash industry in Dubai by providing convenient, high-quality, and environmentally responsible car care services that exceed customer expectations.

Vision

Our vision is to be the leading provider of waterless, eco-friendly car wash services in the UAE, setting a new standard for sustainability and customer satisfaction in the industry. We aim to inspire a shift towards greener practices and contribute to a cleaner, healthier environment for future generations.
